- 1.) **Relative to the bid security of 5%; is this for 100% of the contract (all three years) including the extra work i.e. carpets, floors and windows?**

Yes, for the amount entered on the last line on page #13 Total of all years \$_____.
(5% security by cash or certified check by a responsible bank or trust, or a bid bond for the amount.)

- 2.) **Does the Town have a specific bond form that you require be used? Or will the bond company form be okay to use?**

The Town does not have a bid bond form, and the bond company form is sufficient.

- 3.) **Whereas this is a multi-year contract, the bond company is going to want to issue the bond annually from July 1st to June 30th each year (rather than for the full 3 years up front), will this be acceptable?**

The bid bond must be for the total amount of the three years, the performance bond which is required for firm selected and awarded.
